Mr. Earle P. Crandall, President,
Lodi Co-ordinating Council,
Lodi, California.

Dear Mr. Crandall:

Thank you very much for the copy of the recommendation of the Recreation Committee to the City Council. The granting of that sum indicates the extent of community endorsement which is always gratifying in a new venture.

When your staff and the children are operating I hope very much to come to Lodi again. In the meantime, if you will let us know when and how you would like to have the check transmitted, our funds will be released.

Mr. Kenneth Beam, former secretary of the Co-ordinating Councils, Inc., was in town and very interested in your new activity. And the Citizens' White House Conference Committee has asked for some material. I have suggested that they contact you directly.

Sincerely,

Leslie W. Ganyard

Dear Mrs. Ganyard:

Your letter followed Mr. Crandall to Stanford University where he is participating in a workshop program on community problems throughout the summer session. Since he is out of town he returned it to me for answering.

I am secretary-treasurer of the Lodi Coordinating Council so if you will send the check to me I will see that it is properly banked for use of the nursery project. Our supervisors started work on June 22 so their salaries will be due July 22; in the meantime there are some expenses in connection with contacting mothers and getting things under way. We are ready to take care of the money whenever you send it. I think a cashier's check made out to me followed by my title as secretary-treasurer would be safest.

We are having splendid cooperation from everyone and can hardly wait for our opening day tomorrow to see the venture really in operation. We shall be happy to have you call again so that you, too, may share our satisfaction.

Sincerely yours,

Secretary-Treasurer.
